We are very grateful to MESOL company – our organizational partner

They organized for us:

- Workshop kit
- all social events (welcome party, dinner, concert, excursions)
- transportation
- coffe breaks

They also offered additional services:

- hotel booking (with really reduced price)
- airport transfer

**and all this was done efficiently and professionally!
MANY THANKS!**

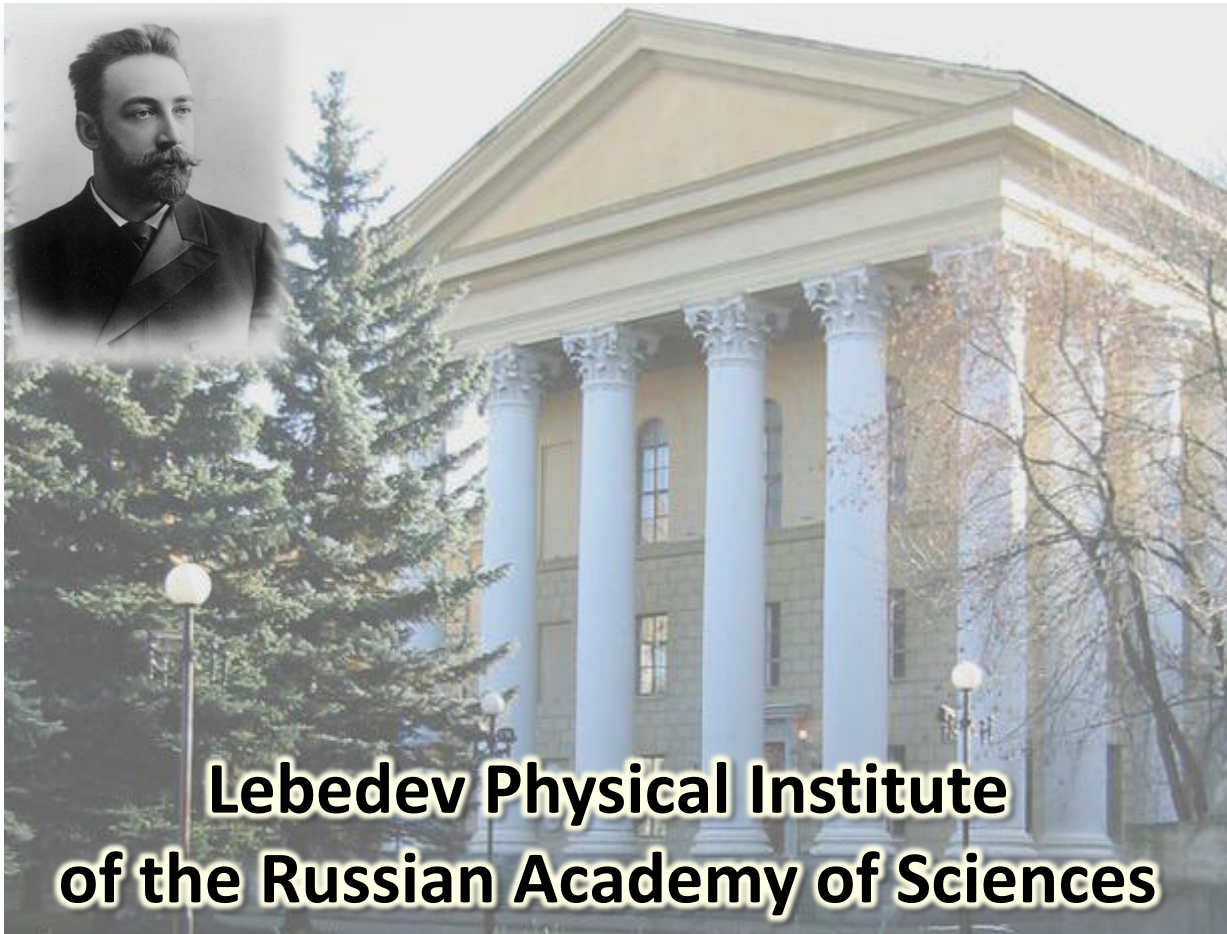

Maxim
Chuyashkin

Stanislav
Stegalin

Many thanks LPI directorate for all support

... and especially to LPI director N. Kolachevsky for his sudden, prompt and very nice talk about LPI.

Russian Academy of Sciences is our main sponsor!

RAS provided the venue with nice conference hall almost for free

RAS provided catering for coffee breaks and welcome reception and financial support.

We are thankful for financial support
